Notice.-R. P. CANNAWAY SAYS:-My wife was cured of what was pronounced by the most eminent Physicians to to be "Consumption of the Lungs," by the use of Dr. C. BENJ. SMITH'S SUGAR-COATED PILLS," which I gave as a last resort. She was given over to die by her Doctors, but after a few doses of Dr. Smith's Pills, according to the directions, I discovered that she seemed to improve and the cough to lessen. The disease appeared to come to the surface, and the whole abdomen broke out in running sores, and the spitting of bloody corruption which had been exceedingly bad, ceased, by perseverance in the use of the Pills without any other medicine. In two weeks she was restored to better health than she has before enjoyed since she R. P. CANNAWAY, was grown. March 17th, 1853. Depot Agent, Wartrace, Tenn.

"While there is Life there is Hope!"-Some of the most dreadful and stubborn disseases of the Lungs ever known, have been promptly and entirely cured by Dr. C. Williams' Pulmonic Balsam of Wild Cherry and Wood Naptha, after the most skillful Physicians and every known remedy had failed. We there fore say, "While there is Life there is Hope," if you use

this new and popular remedy. See long advertisement in another column. -1mo.

An Important Fact! - The reason why that GREAT COUGH REMEDY, DR. C. WILLIAMS' PULMONIC BALSAM OF WHAT CHERRY AND WOOD NAPTHA, is so very popular is not only owing to its remarkable virtues as a remedial agent, but it is so pleasant to take. It is a beautiful cordial, has a delightful flavor, and is so agreeable, that, when given to children, they cry for more! See advertisement in another colmarl-lm.

Cella's New Saloon. - Lunch Every Day .-This finished Establishment has Lunch set out every day at half-past ten o'clock. Culla's Saloon is a favorable re sett to all who like to luxuriate. He has the best of Liquors of all kinds; and the Lauch he spreads is enough to whet the appetite of an epicare. Polite and clever himself, he has polite and elever assistants; and all who visit him once will be sure to call again.

An Onnce of Fact is worth a pound of theory and the swarms of conclusive facts that cluster around that incom parable preparation, Hoodand's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, establishing its value as a tonic and restorative, are such as would prevent incredulits itself from questioning its efficacy. In all cases of disease of the stomach, whether acute or chronic it may be recommended for its soothing, cordial and renovating influence.-Dyspapsia, beartburn, loss of appetite, nausea, nervoue tremors relaxation, debility, &c., are relieved, by the Bitters in a very short space of time; and perseverance in their use never fails to work a thorough cure.

Another Scientific Wonder! -- Important to Dyspeptics. - Dr. J. S. Houghton's Pepsin, the True Digestive Fluid or Gastric Juice, prepared from Rennet, or the Fourth Stomach of the Ox, after directions of Baron Leibeg, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia. This is only a wonderful remedy for Indigestion, Dyspepsia, undice, Liver Complaint, Constirpation and Debility, curing after nature's own method, by nature's own agent, the Gastric Juice. Pamphlets, containing scientific evidences of its value, furnished by agents gratis. See notice am mg the medical advertisements.

The most extraordinary discovery in the World is the Gr at Arabian Remedy for man and Beast.

H. G. FARRELL'S CELEBRATED ARABIANLINIMENT IT IS A FACT ESTABLISHED and well known that

the Arabians attained a height in the knowledge of medicine which caused the whole world to wonder and admire. With them the science of chemistry had its birth, and it is, therefore, not at all strange that a people so eminently successful in the healing art, and so persevering and daring in character, should, by actual and untiring experiment, discover remedies far surpassing in efficiency all others, for the care of those diseases incident to them from their mode of life. The greater part of their time being spent in haz-ardous and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, par, alvsis, nearalgic pains, and various inflammatory diseases, as also the most horr d wounds, sprains, brunes, tumors-swellings, diseases of the joints, etc., etc. All these diseases they were so surprisingly efficient in curing, that the unin-itiated looked with wonder and attributed their skill to the powers of magic. H. G. FARRELL'S ARABIAN LINI-MENT is a composition of balsams and oils, from rare plants peculiar to this country, and it was by the use of the articles e unposing this great remedy that not only their physicians, but even the wild Arabs of the desert were enable I to perform such miraculous cures. The Arab steed is world-re nowned for his heautiful symmetry of form, his unsurpassed speed and agility, and the incredible latigue he is capable of enduring. Why is it " Because from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Frrrell's Genuine Arabian Liuiment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your Look out for Counterfeite!

The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell' Arabian Linnaent, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggest. No

sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H.
